

Nutcracker dolls most commonly resemble toy soldiers

Originally the mouths could move to enable the user to crack nuts

In German tradition, the dolls are symbols of good luck, frightening away bad spirits

Today most nutcrackers are simply decorative figurines

NUTCRACKER

TRAIL

Nutcrackers are hidden in the Russell-Cotes in different rooms and on different Christmas trees.

Try to spot them and answer the questions inside.

Count them as you go along and then enter our prize draw competition.

Where is the Nutcracker in the Main Hall?

In the Red Room the large Nutcracker has Green Trousers. True or False?

How many Nutcrackers are in the Irving Room?

How many Nutcrackers are in the Drawing Room?

In the Study what colour is the Nutcrackers hat?

Where is the large Nutcracker in the Dining Room?

What is special about the Nutcracker in the Boudoir?

How many Nutcrackers are there altogether?

Count them all and enter our competition.
