

Russell-Cotes Art Gallery & Museum Proposed Object Disposal List 19.11.2021

To best care for its collections the Russell-Cotes Art Gallery & Museum (RCAGM) takes an active approach to the disposal of objects within its collections which are not relevant to its Core Offer. For further information see our Collection Development Policy.

All disposals will be carried out in accordance with the Museums Association's Code of Ethics and with the aim of keeping disposed material within the public domain if possible. Disposal by sale will only be considered as a method of last resort.

The following items have been identified for disposal and the RCAGM Management Committee approved this action on 22.10.2021.

Please email r-c.enquiries@bournemouth.gov.uk regarding any queries.

Each proposed disposal is supported by an associated Disposal Report which is available on request.
